† deceased 10 July 1963

*In the course of 1963, Dr. Marie P. Löhnis and Dr. L. H. C. Perquin have retired as Editors of ANTONIE VAN LEEUWENHOEK. Working as a team, they have been responsible for the editing of the Journal for more than 20 years. At the conclusion of the last volume that bears their names as editors, the Board of the Netherlands Society of Microbiology wishes to express its profound gratitude to Dr. Löhnis and Dr. Perquin for the time and the singular talents they have so generously bestowed on the Journal, its readers and its authors.*
